

AVA Behavioral Tendencies of Bob S Hughes

Report Format : **Short: Competency List** [Detail: Competency List](#)

The bar graphs below indicate the ease with which Bob can perform the behavioral activities listed below over a sustained period of time. 'Easy' (bar to the right) indicates a natural tendency to perform the activity. It is therefore, easy to sustain this behavior. 'Hard' (bar to the left) indicates that the activity is less of a natural tendency and will require more effort to support the behavior for sustained periods of time.
